

Any tour operator may organize safari for you but we at Shrike safaris are quite different from the rest due to these÷

-Tanzanian born safari operator.

Tanzania is our beloved country, we were born here, we live here and we have explored many corners of this incredible land over many decades – from the top roof of Africa, Kilimanjaro to the plains of the Serengeti via the spice island of Zanzibar, Lake Victoria and other hidden places – and we're still exploring...

- Off the "Beaten Path" Experience.

Only Shrike safaris knows all the unique and beautiful places that average tourist never finds out about.

-We are pleased to be your host in Africa.

We know you could have done something else with this amount of money you are using for safari, but you have wisely decided to give us this opportunity to show you how much we may contribute to fulfill your lifetime experience.
